Dear Friends:

Thank you so much for the donation of \$1,200 to the Northeastern New York Affiliate of Susan G. Komen for the Cure. Your contribution helps us in our mission to save lives and end breast cancer forever by empowering people, ensuring quality care for all and energizing science to find the cures.

We had a lovely time at your recent dinner and appreciate the warm welcome we received. Again our heartfelt thanks to all.

Sincerely,

Lynette M. Stark, Executive Director
