

“F.O.E. IOWA NEW WEB SITE”

www.foe.com.iowa

Have you checked out FOE Iowa Web Site since June 1st yet? There is a Web Page set-up for ALL 41 Iowa Aeries & Auxiliaries! (3 have their own Webmasters), the new State Webmaster, Bill Drury, is doing the rest. The Web Site is set-up to be not only Informative, but also Entertaining!

Please check your's out & be sure it's up-to date! (Officers, Meetings, Location, etc.) You can find them all at: <http://www.foe.com/iowa/aeries.htm>, if you're having any “SPECIAL” Functions, Events, etc. & would like them Posted on the “Up-Coming Events” Web page: <http://www.foe.com/iowa/Events/events.htm>, please send them to the State Webmaster at: bdrury@neb.rr.com, or just “Click” on Webmaster's Name on the Web Site. Also, if your Aerie/Auxiliary has a Monthly Newsletter/Calendar & you would like it also “Posted” on your Web Site, let me know. Also let me know of any “Special” Wallpaper, Music, etc. you would like on YOUR Web Site.

The best way to send the Information is by the “File” you create it in, (M/S Word, Access, Excel, etc.) or by a PDF File. If you don't have a PDF “Converter” Program, don't worry, I do & I can convert it into a “Printable” File to Post. It's a good way to let EVERYONE in Iowa & the whole Eagles jurisdiction to let them know what you are doing!

If you want it on the “Iowa Events”, Web page, it will be Posted in the order that it is “Received”! It's also a good way of preventing having more then one Event on the same date, to increase other Aerie participation! (Yes, I know, sometimes it can't be prevented).

The Web Site is set-up for best viewing, using 600X800 Resolution! Instruction on how to “change” your Resolution is posted at the bottom of the Iowa Home Page.

Remember, it's YOUR Web Site, and will only be as “Informative” and as good as YOU want it to be!

If the Information is not sent to me, it won't be on there!
