Regional Conferences Underway

As the first series of gatherings across the United States and Canada for the fraternal year, Regional Conferences often set the tone for the organization’s next several months. Grand Worthy President Ron Stine and Grand Madam President Sally Villalva are leading by example, coming together to encourage members to “Keep The Pace, Win The Race, Step Up For Membership.”

The pair have reached out to their Regional Presidents with points of emphasis for all Conferences.

Ron’s points of emphasis include:
• Membership Growth: Meet the Challenge
• F.O.E. Diabetes Research Center: Let’s Break Records!
• Stay on Track: Be a Loyal and Good Member
• Help Others: This is the Engine of our Organization
• Work Together: It’s all about TEAM!

Sally’s points of emphasis include:
• Step Up for Membership
• Step Up for Re-Enrollment
• Step Up to Loyalty, Remember your Obligation
• Step Up for Charities
• Step Up for Ritual

Ron and Sally are traveling the jurisdiction this year to raise money for The Fraternal Order of Eagles Diabetes Research Center. In conjunction with DRC Co-Directors Tom McGrath and Jean Kerr, a message has been drafted and sent to all DRC Regional Chairman to deliver at each conference as a tool to keep members informed.

People Helping People

While all items are published and shared electronically, space is limited in print. In an effort to provide a diverse offering of news items for our members each month, the largest and/or most unique donation from each State/Province we receive news from will be featured in our People Helping People section. Once each State/Province we have news from has been represented, we will begin to allow additional items.

Please keep in mind that all photos must be high-resolution and cannot be taken from a newspaper or a news outlet's website as the Grand Aerie does not have the right to use those photos.

As always, we welcome any questions or suggestions you might have. Please see the panel on page 2 for contact information.
About Your Per Capita Tax
The Fraternal Order of Eagles Board of Grand Trustees is aware of some confusion surrounding the recent vote by delegates to increase the Per Capita Tax (PCT). The intent of the proposal was to increase the PCT by a total of $2 per year, but in six-month increments of 50 cents to allow for operational adjustments at the local level. However, the wording of the law change was inconsistent with that intent, and will – over time – bring the PCT increase to $4 per year. The only way this action can be changed is on the Convention floor. Therefore, the Board of Grand Trustees will have a corrected proposal ready for next July’s Convention in Reno for the delegation to consider. Please be aware that the first increase of 50 cents will be effective during the May 2013 collection period.
